

Vireo Users Group  
2010 Annual Meeting  
Wednesday, May 19, 2010  
8:30 a.m. - 12:00 p.m.

- 8:30 a.m.    **Welcome and Introductions**  
What is a Vireo Users Group (VUG)? What purposes does it serve and what difference will it make to you? Laura Hammons and Jason Thomale, co-chairs of the VUG, will facilitate this introductory session on the mission of the Vireo Users Group, how it can benefit your institution, and why your participation is important.
- 9:00 a.m.    **State of Vireo Presentation**  
This session will provide an overview of the history of Vireo from its conception to the present. TDL staff will discuss the future of Vireo and help participants understand TDL operations and priorities with respect to Vireo in light of other TDL projects and programs.
- 10:00 a.m.    *Break*
- 10:20 a.m.    **Report from Institutions, Status of Vireo Implementation**  
Find out who is considering Vireo, who is testing, and what have been the experiences of institutions that have fully deployed Vireo at their institutions. Represented institutions will be asked to share their Vireo User Profile and update colleagues on the status of Vireo at their institution.
- 11:00 a.m.    **User Feedback Session**  
During this session users will be asked to participate in an exchange of current Vireo issues and needs. In addition, participants will be provided guidance on how these issues and needs will be prioritized, translated into user stories and used to guide the future development of the Vireo system.
- 12:00 p.m.    **Conclusion**
